- Erin Johnson
- Jessie Dare
- Bradley Carrier
- Jess Gyurkovits
- Katie Tersmette
- Kyla Ramsdale
- Jody Kozey

Motion: Adopt previous meeting minutes. Carried

Chair Report

1.1 Nothing to report

Principles Report

- 2.1 Ski days are successful, grades 4-5 went smoothly, more grade 6-7's don't go so we are working on making it more appealing for them. In March the kids that go skiing may get a shirt or may do an awards show, something to make it more appealing to all students. We're trying to make skiing as accessible as possible by paying for lessons
- 2.2 Using the Affordability fund money is going well. We are offering hot lunches, breakfast, cloths and school supplies. Will be loading up on supplies this year to hopefully not need as many supplies from students next year.
- 2.3 Feb 6th empanadas hot lunch. Feb 21st sandwiches again. Each lunch costs around \$4000.
- 2.4 Offering babysitting class, don't have all the info yet. An Ontario online course could be available but needs to be run by an adult. Next set of expos are just about to start and were hoping to have the course available.
- 2.5 Feb 13 non instructional day
- 2.6 Feb 20 family day – no school
- 2.7 March 13 report cards

Treasurers Report

- 3.1 Gaming \$9283.59, \$1000 to go to Lego club still
- 3.2 General \$4680.47, \$3000 from rotary went to Christmas gifts, still waiting on invoice from the school

Old Business

- 4.1 Finding a new treasurer for the PAC, Kim has someone in mind but will keep working on it
- 4.2 DPAC meeting, biggest turn out in 2 years, 23 parents and guardians. Reps from Golden to Kimberley. Re-elected new board, mostly new faces. Coralie will be staying on to help the transition. Kim will come to next meeting with more info and will share the minutes when they come out.
- 4.3 Katie Tersmette will be taking the minutes from last meeting to the bank to have herself added to the bank account, Kim will forward information to Katie regarding how to move forward

New Business

- 5.1 Childcare, we have a licence in the library for after school care. Brad wonders why it's not being used. Need 12 students to run it. Maybe needs to be rebranded so the kids will want to stay (After School Club instead of Childcare). Cost may be prohibitive. Third party provided.
- 5.2 Art cards for kids fundraiser, time to get it out there to the teachers, see who is in this year. Kim will send to Brad to send out to the classes.
- 5.3 Might be nice to offer to the elementary schools PAC to come to one of our last PAC meetings. Giving them the opportunity to meet this years PAC and maybe feel more comfortable joining McKim's PAC next year.
- 5.4 Looking at setting up a TEAMS channel for the PAC. Will be discussed at next meeting.

Next Meeting: Tuesday February 28, 6:00pm McKim Library

Meeting Adjourned: 7:49pm
